

Derby City Disc Dogs

Practice Rules

Things to Bring

- *Crate, lead or short tie down of no more than 10'
- *Water for your dog
- *Appropriate, dog friendly discs
- *Doggie clean up bags
- *in hot months you may consider bringing a source of shade for your canine friend. ex. EZ-Up, crate cover
- *Lots of smiles and enthusiasm!

General Practice/Playday Rules and Regulations

- *Enjoy and encourage the play and performance of other club members.
- *Be considerate of the safety and enjoyment of others.
- *Recognize and play within your own physical limitations and those of your dog. i.e attempting techniques while training your dog that are unsafe and could endanger their health. Please keep in mind not to excessively vault your dog until the appropriate age.
- *Please be considerate of other handler's training/techniques with their dogs, friendly suggestions are always welcome but negative criticism is not acceptable.
- *Dog owners are required to clean up after their dogs at all times.
- *Any abuse & endangerment of an animal will not be tolerated and those doing so will be asked to leave.
- *Unless you are on the field all dogs must be crated, on lead or on tie down at all times. If dog is not crated, please be considerate of distance between your dog and other dogs that are on tie down or on lead.
- *There will be situations where it may be necessary to have more than one handler/dog on the field. Before this is done it will be discussed and agreed upon between those handlers.
- *Practice good sportsmanship at all times.
